

Mrs. Wonderful & The Three Little Things

FUN FACTS ABOUT HEDGEHOGS

- Hedgehogs are lactose intolerant
- A baby hedgehog is called a pup or a hoglet
- A hedgehog has around 5,000 spines
- Hedgehogs are known as the gardener's friend. This is because they will eat slugs, beetles, caterpillars, etc., and do no harm.
- A hedgehog can run over six feet per second.
- There used to be an event called the International Hedgehog Olympics!
